

Are you awesome? Because we are currently looking for a full or part-time physiotherapist to join our multidisciplinary team and take over a full caseload. Balanced Body Active Health Centre is located in a thriving neighbourhood near the historic Distillery District in Toronto. We have a strong team that offers a wide variety of services through Chiropractic, Physiotherapy, Registered Massage Therapy, Acupuncture and Osteopathy. We are looking for an energetic, active learner who can thrive in a team environment, is skilled in functional rehabilitation and is a strong communicator – both inter-professionally and with patients. Experience with sport therapy and acupuncture are assets, as well as professionalism and excellence in customer service.

Caseload: Varied private clientele, no WSIB, no OHIP

Full experienced administrative support: We help manage all reception, appointments, invoicing, and billing for you.

Pelvic Floor Certified is an asset but not a requirement.

Position Qualifications:

- Bachelor of Science degree in Physiotherapy from a recognized educational institution
- Licensed and in good standing with the College of Physiotherapists of Ontario
- Excellent interpersonal and communication skills
- Exceptional work performance and attendance required
- Competency with online scheduling and electronic health records
- Experience in evidence-based assessment, diagnosis, acute care and progressive rehabilitative therapies

Successful candidates taking on full-time hours will receive a 1-year mentorship subscription to Physio Mentors (<https://www.physio mentors.com/>).

If interested, please forward a cover letter and resume to dr.torrance@me.com . See www.balancedbodyahc.com for clinic information.
