

## Toronto Community Massage & Wellness:

*Creating communities where informed care is accessible to everyone*

**Become the first physiotherapist** for our team collaborating with 10+ dedicated massage therapists.

- **Exclusive Referral Network:** Receive a steady stream of patients through referrals from our established massage therapists.
- **Mentorship & Growth:** We nurture our therapists' careers with individual mentorship and continuing education (such as Physiomentors workshops and trauma informed care).
- **Community Focus:** Partner with us to empower the community through events and outreaches (optional)

### Other Benefits of Being on Our Team:

- **Become a pillar of wellness:** Make connections and collaborate with other individuals in our network to provide comprehensive care for our patients.
- **Thrive in a beautiful space:** Work in an environment designed to promote the well being of therapist and patient alike.
- **Live well, work well:** Enjoy exclusive benefits like gym class passes and access to hot/cold plunge therapy through our local business partnerships.

### This is your chance to make a real impact!
